dances

Shubert Theater at The University of the Arts
Friday, December 16 and Saturday, December 17, 1988

"Dancing is the loftiest, the most moving, the most beautiful of the arts, because it is no mere translation or abstraction from life. It is life itself."

The School of Dance offers professional training to aspiring young artists for careers in performance, teaching or choreography. We offer a four-year BFA in Ballet, Modern or Jazz; a Performance/Dance Education degree; and a two-year Certificate Program. Our graduates have achieved success in many different companies throughout the world. Two 1988 graduates are now with The Jamison Project, under the artistic direction of Judith Jamison, others are currently on an extended European Tour.

Thank you for sharing this evening with us
and we hope you enjoy the performance.

The taking of flash photographs during the performance is strictly prohibited. Thank you for your cooperation.
